

# 2023-2024 Parental Low Income Verification Form

## Federal Student Aid Programs

Your **2023-2024** Free Application for Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent whose information was reported on the FAFSA (if applicable) must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Office of Financial Aid. We may ask for additional information. If you have any questions about verification, contact us at (934) 420-2578 as soon as possible so that your financial aid will not be delayed.
