

I certify that I have viewed and understand the content of the video provided by the Governor's Office of Employee Relations (GOER) with respect to the Globally Harmonized System (GHS) implementation (training due by December 1, 2013). The GOER program does not provide complete Hazard Communication or Right-to-Know training, but focuses on the GHS labels and Safety Data Sheets only. Therefore, by signing this form, I understand that additional training may be required to fulfill my training obligations (contact Jeff Carter, Environmental Health & Safety Officer, for assistance x2105).
