### **REFUND POLICY:**

In order to be eligible to receive a reduction of tuition and fee liability for the semester, *students must follow the official drop or withdrawal refund deadlines.* Failure to submit payment, stopping payment on a check, or not attending class(es) does not absolve students of their financial obligation. The College does not cancel your classes for non-payment or non-attendance.

**Please note that the academic drop/withdrawal deadline is not the same as the deadlines for determining tuition and fee liability.**

To view the refund schedule, go to [www.farmingdale.edu/studentaccounts](http://www.farmingdale.edu/studentaccounts) and click on the ***"Forms & Instructions"*** link then select ***"Refund Schedule"*** for the appropriate term. Financial liability to the College will be determined by the refund schedule applicable at the time the drop or withdrawal process takes place. If a course(s) is dropped during the 100% refund period, then no tuition and fee liability will be incurred. After the drop period, if a student wishes to withdraw from a course(s), the refund schedule can be used to determine the reduction of tuition and fee liability that is due. Please note that after the 100% refund period, the College Fee, Transcript Fee, First Day/Inclusive Access Fees and Special Course/Curriculum Fees are no longer refundable.

### **FINANCIAL AID:**

Applicable financial aid awards have been deducted from the total amount due on your student bill. The remaining balance due must be satisfied with the Student Accounts Office as indicated above. Subsequent financial aid payments will be refunded to you once your account is satisfied. Questions regarding your Financial Aid award should be directed to the Financial Aid Office at (934) 420-2578.

### **NYS TAP AWARD AND EXCELSIOR SCHOLARSHIP:**

All students receiving New York State Tuition Assistance Program (TAP) awards or Excelsior Scholarships are responsible for knowing the eligibility requirements. For additional information regarding these programs go to [www.hesc.ny.gov](http://www.hesc.ny.gov). Click on "**Student Access**" then "**Pay**" and under "**Financial Aid**" select "**Grants, Scholarships and Loan Programs**".

It is your responsibility to ensure that the school code is correctly listed on your TAP award letter. An incorrect school code may result in a delay in your TAP award or decertification. Farmingdale is listed as "SUNY College of Tech at Farni".

- 3025 Associate Degree
- 6025 Bachelor Degree
- 5125 Graduate Degree – Other NYS awards only. Graduate students are not eligible for TAP or Excelsior.

State awards are not official until NYS Higher Education Services Corporation (HESC) and the Certifying Officer at Farmingdale State College has verified that you meet eligibility requirements.

If you are expecting a NYS award and it is not appearing on OASIS in your Financial Aid awards or is showing as estimated, there could be several reasons. These include:

- Incorrect school code reported on your NYS Payment application
- Income verification has not been completed by NYS Higher Education Services Corporation
- Your NYS Payment application has not been completed or has an error
- NYS Higher Education Services Corporation has requested additional documentation
- As per NYS Higher Education Services Corporation you do not meet the income or NYS residency eligibility for an award
- You are a continuing Excelsior applicant and have not completed the annual TAP application

To view your account at NYS Higher Education Services Corporation, go [hesc.ny.gov/myaccount](http://hesc.ny.gov/myaccount), and click on "**Review My NYS Financial Aid Information**". Then select "**Details**" next to the last TAP update date. On the details page, click on the "**Review/Update**" button where you can make changes.

### **DEGREEWORKS AND FINANCIAL AID APPLICABLE CREDITS:**

Only courses that apply to your current academic program can be included to determine your eligibility for federal and state financial aid. We will be using the information from your DegreeWorks audit to determine your applicable credits for each term. At the time of registration and prior to the start of each semester, it is in your best interest to review your DegreeWorks audit to verify the number of applicable credits. This will allow you the opportunity to make course changes, if necessary. If you see any discrepancies or have any questions about a specific course, please consult with your academic advisor or department.

Find out more about DegreeWorks, by going to [www.farmingdale.edu/registrar/degree-works](http://www.farmingdale.edu/registrar/degree-works).
